VILLAGE OF

FOX LAKE

'INSPIRE HYDRANT'

iT's an ArT  
tHiNg!

The Village of Fox Lake is committed to strengthening its creative economy by providing various avenues for artists to showcase their talents. The 'Inspire Hydrant' project is the first of many future downtown art installations that will highlight the amazing talent our local and visiting artists can bring to the community for all to enjoy when given the right platforms.

Thank you to the artists who worked very hard to bring these amazing 'Inspire Hydrants' to downtown Fox Lake.

**We appreciate you!**
