The Village President or his or her designee shall have twenty (20) days after receipt of any Request for Reimbursement from the Developer to recommend approval for immediate payment or disapproval of such Request and, if disapproved, to provide the Developer in writing and in detail with an explanation as to why he or she is not prepared to recommend such reimbursement. The only reasons for disapproval of any expenditure for which reimbursement is sought shall be that such expenditure is not an eligible Redevelopment Project Cost under the TIF Act or the construction of the specific Project component for which reimbursement is sought, was not completed by the Developer in accordance with the approved Legal Requirements and the provisions of this Agreement. The parties acknowledge that the determination of Redevelopment Project Costs and qualification for reimbursement under this

Notwithstanding the foregoing, if money is not available in the FXLK Fund to reimburse the Developer for Redevelopment Project Costs and the reason therefore is that the Developer is not paying real estate taxes levied against properties in the Redevelopment Project Area, the Village shall be relieved of any obligation to make any further reimbursement to the Developer for Redevelopment Project Costs.

Section 6. No Recourse. Developer hereby covenants and agrees that no recourse under or upon any obligation or agreement contained herein or for any claim based thereon shall be had against the Village, its officers, agents, attorneys, representatives or employees in any amount in excess of any specific sum agreed by the Village to be paid hereunder, subject to the terms and conditions contained herein, and no liability, right or claim at law or in equity shall attach to or shall be incurred by the Village, its officers, agents, attorneys, representatives or employees in any amount in excess of any specific sum agreed by the Village to be paid hereunder, subject to

Section 9. Time; Force Majeure. Time is of the essence of this Agreement; provided, however, a party shall not be deemed in material breach of this Agreement with respect to any obligations of this Agreement on such party's part to be performed if such party fails to timely perform the same and such failure is due in whole or in part to any strike, lock-out, labor trouble (whether legal or illegal), civil disorder, weather conditions, failure or interruptions of power, riots, insurrections, fuel shortages, casualties, floods, earthquakes, fires, acts of God, epidemics, quarantine restrictions, freight embargoes, or similar causes beyond the reasonable control of such party ("*Force Majeure*"). the commencement of the Force Majeure; provided that the failure of performance was reasonably caused by such Force Majeure.

Section 10. Assignment. This Agreement may not be assigned by the Developer except to an assignee for collateral purposes only as set forth in Section 11, without the prior written consent of the Village, which consent shall not be unreasonably withheld. Upon approval of an assignment, the Developer shall execute an assumption and assignment agreement in substantial conformance with *Exhibit E* attached hereto after which Developer shall be released from liability for the component of the Project for which a certificate of occupancy has been issued, by the Village or, in the case of infrastructure, that portion which has been accepted by the Village.

Section 11. Construction Financing. Developer may at any time and from time to time assign to any construction lender or other mortgagee ("*Mortgagee*") its rights and interests hereunder as collateral for a construction loan or other financing in connection with any component of the Project (the "*Collateral Assignment*"). Village shall consent to such Collateral Assignment, subject to the following: In the event that any Mortgagee or successor to a Mortgagee shall succeed to the interests of Developer in any component of the Project pursuant to or as a result of remedies under the applicable construction loan documents or other mortgage and/or under any related documents, including the Collateral Assignment ("*Mortgage Documents*"), whether by foreclosure, deed-in-lieu of foreclosure or other rights granted under such Mortgage Documents, the Village shall attorn to and recognize Mortgagee or such successor, only if such Mortgagee or successor shall accept and execute, in writing, an assumption of the duties of Developer and an assignment of the rights and obligations of Developer, effective from and after the date of such acceptance. In the event that Mortgagee or such other successor, as the case may be, shall not accept and execute an assumption and/or

assignment for the rights and obligations of Developer, then payments pursuant to this Agreement shall cease and the Village shall have all rights and remedies as set forth in this Agreement.

Section 12. Developer Indemnification. The Developer shall indemnify and hold harmless the Village, its agents, officers and employees against all injuries, deaths, losses, damages, claims, suits, liabilities, judgments, costs and expenses (including any liabilities, judgments, costs and expenses and reasonable attorney's fees) which may arise directly or indirectly from any third-party claims made against the Village as a result of the failure of the Developer or any contractor, subcontractor or agent or employee thereof (so long as such contractor, subcontractor or agent or employee thereof is hired by the Developer) to timely pay any contractor, subcontractor, laborer or material men; from any default or breach of the terms of this Agreement by the Developer; or from any negligence or reckless or willful misconduct of the Developer or any contractor, subcontractor or agent or employee thereof (so long as such contractor, subcontractor or agent or employee is hired by the Developer). The Developer shall, at its own cost and expense, appear, defend and pay all charges of attorneys, costs and other expenses arising there from or incurred in connection therewith. If any judgment shall be rendered against the Village, its agents, officers, officials or employees in any such action, the Developer shall, at its own expense, satisfy and discharge the same. The paragraph shall not apply, and the Developer shall have no obligation whatsoever, with respect to any acts of negligence or reckless or willful misconduct on the part of the Village or any of its officers, agents, employees or contractors.

Section 13. Issuance of TIF Obligations.

(a) So long as no event of default or notice of an event of default or breach of this Agreement, upon the request of the Developer, the Village agrees to issue limited obligation revenue bonds ("*TIF Obligations*") on the condition that the TIF Obligations are payable solely from the Pledged Revenues and not secured by the full faith and credit of the Village, and to deposit the proceeds therefrom into a fund established by the Bond Ordinance for disbursement to pay Redevelopment Project Costs incurred in connection with the Project (the "*Project Fund*").

(b) Proceeds from the TIF Obligations shall be applied only to costs of issuance, capitalized interest, any debt service reserve requirements and to pay Redevelopment Project Costs to finance the Project as permitted by the TIF Act and this Agreement.

(c) The Developer covenants to cooperate and take all reasonable actions necessary to assist the Village and its agents and officers in the preparation of offering statements, private placement memorandum or other disclosure documents and all other documents necessary to prepare, market and sell the TIF Obligations. If TIF Obligations are issued by the Village, the pledge of the Pledged Revenues to the payment of all debt service thereon shall be a covenant running with the land, enforceable as if any subsequent transferee thereof were originally a party to and bound by this Agreement. All costs incurred in connection with the issuance and sale of the TIF Obligations shall be paid from the proceeds of the sale of the TIF Obligations.

(d) The Village shall have the right to select such financial advisors and consultants as deemed necessary for the issuance of the TIF Obligations.

(e) So long as any TIF Obligations are outstanding, the Village shall not issue any other indebtedness or obligations secured by the Pledged Revenues pledged to the payment of the debt service thereof.

Section 14. Waiver. Any party to this Agreement may elect to waive any remedy it may enjoy hereunder, provided that no such waiver shall be deemed to exist unless the party waiving such right or remedy does so in writing. No such waiver shall obligate such party to waive any right or remedy hereunder, or shall be deemed to constitute a waiver of other rights and remedies provided said party pursuant to this Agreement.

Section 15 Severability. If any section, subsection, term or provision of this Agreement or the application thereof to any party or circumstance shall, to any extent, be invalid or unenforceable, the remainder of said section, subsection, term or provision of this Agreement or the application of same to parties or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby.

Section 16: Notices. All notices, demands, requests, consents, approvals or other instruments required or permitted by this Agreement shall be in writing and shall be executed by the party or an officer, agent or attorney of the party, and shall be deemed to have been effective as of the date of actual delivery, if delivered personally, or as of the third (3rd) day from and including the date of posting, if mailed by registered or certified mail, return receipt requested, with postage prepaid, addressed as follows:

Section 17. Successors in Interest. This Agreement shall be binding upon and inure to the benefit of the parties to this Agreement and their respective successors and assigns.

Section 18. No Joint Venture, Agency or Partnership Created. Neither anything in this Agreement nor any acts of the parties to this Agreement shall be construed by the parties or any third person to create the relationship of a partnership, agency, or joint venture between or among such parties.

Section 19. No Discrimination—Construction. The Developer for itself and its successors and assigns agrees that the Developer shall not discriminate against any employee or applicant for employment at the Project because of race, color, religion, sex, age handicapped status, national origin, creed, sexual orientation or ancestry. The foregoing prohibition on discrimination shall apply to all personnel and employment actions taken by Developer with respect to the Project, including but not limited to: hiring, training, transfer, promotion, discipline, fringe benefits, salary, employment working conditions, and termination.

Section 20. Remedies – Liability.

(a) If, in the Village's judgment, the Developer is in material default of this Agreement, the Village shall provide the Developer with a written statement indicating in adequate detail any failure on the Developer's part to fulfill its obligations under this Agreement. Except as required to protect against further damages, the Village may not exercise any remedies against the Developer in connection with such failure until thirty (30) days after giving such notice. If such default cannot be cured within such thirty (30) day period, such thirty (30) day period shall be extended for such time as is reasonably necessary for the curing of the same, so long as the Developer diligently proceeds with such cure; if such default is cured within such extended period, the default shall not be deemed to constitute a breach of this Agreement. A default not cured as provided above shall constitute a breach of this Agreement.

(b) If the Developer materially fails to fulfill its obligations under this Agreement after notice is given by the Village and any cure periods described in paragraph (a) above have expired, the Village may elect to terminate this Agreement; which shall constitute the Village's sole remedy for Developer's default hereunder or exercise any right or remedy it may have at law or in equity, including the right to specifically enforce the terms and conditions of this Agreement. If any voluntary or involuntary petition or similar pleading under any section or sections of any bankruptcy or insolvency act shall be filed by or against the Developer, or any voluntary or involuntary proceeding in any court or tribunal shall be instituted to declare the Developer insolvent or unable to pay the Developer's debts, or the Developer makes an assignment for the benefit of its creditors, or a trustee or receiver is appointed for the Developer or for the major part of the Developer's property, the Village may elect, to the extent such election is permitted by law and is not unenforceable under applicable federal bankruptcy laws, but is not required, with or without notice of such election and with or without entry or other

action by the Village, to forthwith terminate this Agreement. To effect the Village's termination of this Agreement under this *Section 20(b)*, the Village's sole obligation shall be to forward to the Developer a Certificate of Default, executed by the President of the Village or such other person as shall be designated by the Village, stating that this Agreement is terminated pursuant to the provisions of this *Section 20(b)* in which event this Agreement, by virtue of the recording of such certificate, shall *ipso facto* automatically become null and void and of no further force and effect.

(c) If, in the Developer's judgment, the Village is in material default of this Agreement, the Developer shall provide the Village with a written statement indicating in adequate detail any failure on the Village's part to fulfill its obligations under this Agreement. The Developer may not exercise any remedies against the Village in connection with such failure until thirty (30) days after giving such notice. After the cure period has expired, the Developer may elect to terminate this Agreement or specifically enforce its terms and conditions. If such default cannot be cured within such thirty (30) day period, such then provided the Village is diligently pursuing the cure of such default, such thirty (30) day period shall be extended for such time as is reasonably necessary for the curing within such extended period, the default shall not be deemed to constitute a breach of this Agreement. A default not cured as provided above shall constitute a breach of this Agreement. Any failure or delay by the Developer in asserting any of its rights as to any default or any alleged default or breach shall not operate as a waiver of any such default or breach of any rights or remedies it may have as a result of such default or breach.

(d) The rights and remedies of the parties are cumulative and the exercise by a party of one or more of such rights or remedies shall not preclude the exercise by it, at the same time

or different times, of any other rights or remedies for the same default or for any other default by the other party subject to the limitations of remedies contained in this Agreement with regards to the cessation of operation of the Development. In the event a party hereto shall have proceeded to institute proceedings in law or at equity to enforce any provision hereof or to obtain specific performance of any obligation pursuant to this Agreement, the prevailing party of such action shall be entitled to reimbursement of all costs incurred in connection with such proceedings, including attorneys' fees.

Section 21. Amendment. This Agreement, and any exhibits attached to this Agreement, may be amended only in a writing signed by the parties with the adoption of any ordinance or resolution of the Village approving said amendment, as provided by law, and by execution of said amendment by the parties or their successors in interest. Except as otherwise expressly provided herein, this Agreement supersedes all prior agreements, negotiations and discussions relative to the subject matter hereof.

Section 22. Counterparts. This Agreement may be executed in two counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officers as of 4/28/15, 2015.

Re: Ordinance Acknowledging the Route 12 TIF Extension

Attached is an ordinance acknowledging the TIF extension as passed by the Illinois General Assembly (PA 098-1153), whereby the Village acknowledges the extension of the TIF to 2039 but the taxes for 2039 are received in 2040—the actual “estimated completion date”. Remember, this is a twelve-year extension as approved by the General Assembly.

Once this ordinance is executed, we will forward to the attorney for the developers.
