Important Information

The Fox Lake Department of Parks & Recreation is committed to conducting its recreation programs and activities in the safest manner possible and holds the safety of participants in the highest possible regard. Participants and parents registering their child in recreation programs must recognize, however, that there is an inherent risk of injury when choosing to participate in recreation activities. The Fox Lake Department of Parks & Recreation continually strives to reduce such risks and insists that all participants follow safety rules and instructions, which have been designed to protect the participant's safety.

Please recognize that the Fox Lake Department of Parks & Recreation does not carry medical accident Insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Fox Lake Department of Parks & Recreation automatically responsible for the payment of medical expenses.

Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the Department requires the execution of the following Waiver and Release. Your cooperation is greatly appreciated.

I agree to waive and relinquish all claims my minor child(ren) or I may have as a result of participating in the program against the Department and its officers, agents, servants and employees.

I do hereby fully release and discharge the Department and its officers, agents, servants and employees from any and all claims from injuries, damage or loss, which I or my minor child(ren) may have which may accrue to me or my minor child(ren) and arising out of, connected with, or in any way associated with the activities of the program.

I further agree to indemnify and hold harmless and defend the District and its officers, agents, servants and employees from any and all claims resulting from injuries damages and losses sustained by me or my minor child arising out of, connected with, or in any way associated with the activities or the program.
