Re: 18 E. Grand Avenue Parking Lot Addition
Village of Fox Lake

Dear Village of Fox Lake Business Owners, Residents and Commuters:

On behalf of the Village of Fox Lake, we would like to notify you that Chicagoland Paving Contractors will begin construction of the parking lot addition at 18 E. Grand Avenue next week. They are scheduled to begin work on Wednesday, May 16 and construction is scheduled to be complete by June 15, 2018.

The work will consist of removal of the existing gravel, installation of storm sewer improvements, pavement subbase and asphalt. The construction area is immediately west of The Sign Shop / 20 East. Grand Avenue. After the parking lot is complete, the Village will install a small rain garden adjacent to Grand Avenue.

Access to the Village parking lot, behind Thornton's, will be maintained throughout construction although there will be times the access road from Grand Avenue will be limited to one lane. We do not anticipate any material storage on the access road; however, the road will be used as a loading/unloading area.

We recognize this may be an inconvenience to you and we will work with the contractor to minimize disruptions. We ask for your patience during this work. If you should have any questions concerning this work, please contact myself at 847-821-6231 or you can contact Public Works at 847-587-8570.

Sincerely,
Gewalt Hamilton Associates, Inc.

Geoffrey L. Perry, P.E.
Village Engineer
