Village of Fox Lake Newsletter

## From the desk of the Mayor...

As we experience the last few weeks of fall in Fox Lake, I want to take a moment to first and foremost wish everyone a Happy Thanksgiving! This time of year always has me thinking not only about the many things I am thankful for, but also has me looking forward to the upcoming season of giving. Once again the Village of Fox Lake will be participating in the Angel Tree Tag program. Please stop by Village Hall to select your Angel Tree Tag! Gifts must be returned to the Village by December 3. Gifts remain local!

This fall was filled with new and enhanced events. We hosted our first ever Pumpkin Jubilee and encouraged attendees to carve and light as many pumpkins as possible. Our community ended up carving 200 pumpkins which stayed lit all evening. It was wonderful watching people drive by, stop, and leave their vehicles to see all of the pumpkins carved. This was yet another new event held in downtown Fox Lake. Our goal of hosting these new events within our downtown district is not only to enhance tourism and dollars spent within Fox Lake, but also spur economic development.

The Halloween Howl held on October 29th saw record number of attendees. This event was hosted by the Fox Lake Police Department and allowed the community to meet members of the department and see our facilities. Volunteers from the current and past classes of the Fox Lake Citizens Police Academy assisted with the event, cooking over 900 hot dogs for guests.

Saturday, November 24, is Small Business Saturday. As always, I encourage you to shop locally within Fox Lake, and especially on this important day dedicated to small businesses within communities. Additionally, it is the annual holiday parade – now called the Festival of Lights. This year, we are adding several new components including a Kris Kringle Winter Market and hosting a grand opening for the new outdoor ice rink (weather permitting).

# FROM THE DESK OF THE MAYOR

*CONTINUED...*

Both of these new components will be at the Community Garden Green in the center of downtown. The parade will start at 5:00 p.m. and the Tree Lighting will occur immediately following the parade. Santa will be back from the North Pole starting the evening of the Festival of Lights. The entire schedule for the holiday season can be found on page eight of this newsletter.

In addition to our many special events, I wanted to touch on some of the daily and monthly programming the Village offers and subsidies for Fox Lake's senior population. The Village runs a PACE shuttle van weekly Tuesday – Thursday for seniors and well as disabled individuals. We offer a variety of weekly programs such as pickleball, senior cardio drumming, yoga, core fitness, and better balance. On an annual basis, we host the Florence Fischer Luncheon, and on a monthly basis - the senior luncheons. We also offer a variety of programs for our youth including the upcoming Children's Holiday Party, seasonal sports programs, Halloween Howl, Daddy-Daughter Dance, Easter Egg Hunt, Mom and Me Craft Day, and more.

Many of our residents, several of them seniors, have said that the "Places for Eating Tax" placed an undue hardship on them. The Village Board listened to our residents and reduced the "Places for Eating Tax" by 1.00%. It is hoped this will ease the burden on our seniors and encourage even greater patronage of our outstanding restaurants.

This quarter, the Anchor Award is going to a family who has been a constant supporter of the business community in Fox Lake, and along the Chain in its entirety. What started as a Facebook Page promoting local business has grown into a source of news, and guidance within the community. Tim and Diane Foster started the Facebook page "Your Link to the Chain – Fox Lake," in 2015. The page has grown since, with over 5,000 "likes" Learn more about "Your Link to the Chain – Fox Lake" on page three of this newsletter.

I hope to see you at some of our upcoming special events, including the annual Florence Fischer Dinner, which honors the volunteerism of Mrs. Fischer in the best way possible - a full turkey dinner.

Enjoy the upcoming holiday season. As always, you can reach me at (847) 587-3943 or at [schmitd@foxlake.org](mailto:schmitd@foxlake.org).

# ANCHOR AWARD

*HONORING THOSE THAT SERVE THE COMMUNITY OF FOX LAKE*

## **“Your Link to the Chain - Fox Lake”**

The Anchor Award is a Quarterly Award presented to a local group or organization within our community. Organizations that receive the award will be presented with a plaque at a Village of Fox Lake Board Meeting and an article about the organization will be published in the Village Newsletter about the organization. Please contact Mayor Schmit at [schmitd@foxlake.org](mailto:schmitd@foxlake.org) if you know of an organization within Fox Lake that should receive this award. This quarter's Anchor Award goes to “Your Link to the Chain - Fox Lake.” “Your Link to the Chain - Fox Lake” will also serve as the upcoming Holiday Parade Marshals!

“Your Link to the Chain – Fox Lake” is a Facebook community page started by the Foster family – Tim and Diane Foster. Tim and Diane Foster are positive, driven people who are always willing to get involved and lend a helping hand. Their mission to create and “Foster” more positivity in the Village was the idea behind starting “Your Link to the Chain – Fox Lake.”

Their goal and mission was to create a place on social media that could connect every Fox Lake area business, restaurant, bar, resident, visitor and consumer to create and drive the awareness, understanding, and knowledge of what opportunities exist to improve everyone's experience, attitude, perception, and overall quality of life in Fox Lake and the Chain.

Diane Foster stated, “It was encouraging to see a week when our page had 120,000 views. No doubt that means a lot of Fox Lake residents are tuning in to find out what's happening, but also a lot of people from outside our community are checking in to see what's happening! This is exactly what we are all working for – to make Fox Lake a true destination place.”

The Fosters stated, “We fell in love with Fox Lake, started a family, and will call it home for a long time. We simply want to make Fox Lake a better place to live, visit, or operate a business. “Your Link to the Chain - Fox Lake” will be the “go to” place to find out what's happening in the area. Our Community page is not trying to sell anybody anything. We have no desire or need to in any way profit from this endeavor.”

Our goal is to promote all of the amazing aspects of Fox Lake – the Chain, the amazing sunrises and sunsets on the water, the unique bars and restaurants, the diverse businesses, and the unique and interesting people. By working together, we can all make Fox Lake a great place to live and visit!

# WINTER REMINDERS

With winter fast approaching, the Public Works Department has some reminders and information to share.

## From the Street Division

- The Street Division is responsible for removing snow from approximately 60 miles of streets, eight Metra parking lots, six Village parking lots, and numerous sidewalks.
- As a reminder, Route 12 and Route 59 belong to and are maintained by, the Illinois Department of Transportation (IDOT).
- Rollins Road is maintained by the Lake County Division of Transportation. Wilmot Road is maintained by the McHenry County Division of Transportation.
- Village Ordinance requires no parking on Village streets within a two inch or more snowfall and until snow plowing operations are completed. This includes not only the initial pass of a snow plow, but also returning to widen the full width of the street.
- After an accumulation of snow, the Street Division will display temporary "No Parking for Street Cleaning" signs. These are yellow with black lettering. **Vehicles not in compliance will be towed.**
- Please refrain from allowing children to play in snow piles.

For questions, please call the Public Works Department at (847) 587-8570

## From the Water & Sewer Division

The Public Works Department - Water Division is responsible for maintaining over 47 miles of watermain throughout the Village. Here are a few reminders and tips to keep your pipes from breaking this winter:

- We are asking Residents to "adopt" their hydrant and keep the area around them free of snow. Having a hydrant clear and visible will help the Fire Department and the Water & Sewer Division in case of emergencies.
- When temperatures are severely cold, run the cold water faucet at a minimal rate.
- In extremely cold weather, leave cabinet doors under sinks open.
- Locate your home's main valve so you can shut off the water temporarily if a line does break.

If your pipes do freeze:

- Use a hair dryer set on low, heat lamp, or light bulb to gradually warm and thaw the frozen pipe.
- Too much heat in one spot, can burst the pipe, so be sure to evenly distribute the heat over a large area.

For questions please call the Public Works Department at (847) 587-8570
